**\*Scholarships:** Scholarships waiving the non-resident portion of the tuition are available for graduate students. A student seeking an out-of-state tuition waiver should contact their program director. In addition to this scholarship, some graduate assistantships are available for accepted future graduate students. Off-campus employment is generally not available. No full scholarships are available. Tuition and Fee Schedules can be found on the VSU Bursary website (<http://www.valdosta.edu/administration/finance-admin/financial-services/students/>).

**\*Health Insurance:** All foreign students must purchase the VSU comprehensive medical insurance policy for the duration of their enrollment. Although the VSU Health Center provides free routine medical care for all university students, this insurance is necessary to cover the high cost of hospitalization and emergency medical treatment, including medical evacuation and repatriation. Amounts reflected on this form are (single) students; students with dependents will be subject to different fees.
