## Summer 2018 Youth Programs

### Purpose

The purpose of Camp Discovery is to provide enrichment opportunities for youth in the Valdosta area. We strive to create a safe, caring environment where participants expand their horizons, make friends, and achieve personal growth through age-appropriate activities. All classes are designed to be fun for participants, as well as to improve academic, artistic, and/or physical skills.

### When & Where Is Camp Discovery?

Camp Discovery 2018 runs June 4 through July 27. Most camps are held Monday through Friday, 9:00 am - 12:00 noon OR 1:00 - 4:00 pm at the Regional Center for Continuing Education (RCCE), 903 N Patterson Street (corner of W Gordon & N Patterson Streets, across from The Crescent). An afternoon "Rec Warriors" program, for those who are not in an afternoon camp at the RCCE, will be provided in cooperation with the VSU Student Recreation Center (Sustella Avenue).

### Drop-Off & Pick-Up

Parents may park in the lot behind the building and bring their children in through the rear entrance. Children will meet in the auditorium and be escorted to their classrooms as a group. At the end of camp each day, parents will sign their child out from his or her classroom. Students should be picked up promptly at the conclusion of camp.

**ID required for pickup; any individual picking up a child must be listed on pickup authorization form.**

**Early drop-off** will be available beginning at 7:45 am (except for off-site camps) at no extra charge. Individual and small group activities will be available until the start of camp.
