ALL MOTOR VEHICLES must be properly registered with Parking & Transportation before parking on campus. Virtual permits can be purchased inside of the Parking Office or online through the Parking customer web portal. VSU parking regulations apply to everyone (employees, students, and visitors) and can be found at www.vsuparking.com. Banner student charges are generated each day for outstanding parking balances. Failure to pay parking citations in full will result in the blocking of registration processes.

PARKING CITATIONS may be issued at any time (24/7) by the University Police Department and the Parking & Transportation Department. Overnight parking violations are issued Monday-Friday beginning at 5:00AM. Vehicles that are illegally parked can be cited every 2 hours for the same offense. Open parking begins after 5:00PM Monday-Friday (virtual permit must be purchased). Open parking for the weekend begins after 5:00PM on Friday (no virtual permit needed for weekend parking).

Comments and Helpful Parking Hints

Parking updates will be provided via the web site (www.vsuparking.com). Please check this site weekly. All new parking areas will have the appropriate signage. Students need to be proactive in planning for parking each semester. Plan to arrive an hour earlier to your destination. Walking, riding a bike and car pooling are good examples of how to have a successful parking experience during this period of growth. The Shuttle routes are subject to be altered to accommodate transportation needs.

***"Park At Your Own Risk" lots are not monitored by the University**

While normal precautions will be taken to insure safety, Valdosta State University assumes no responsibility for vehicles operated and/or parked on campus. Vehicles operated and/or parked on the VSU campus will be at the risk of the owner/operator of the vehicle.
