

DR. SHIRLEY H. HARDIN “PAYING IT FORWARD” ENDOWMENT

Established by the “Paying It Forward” Committee and Dr. Shirley H. Hardin (January 16, 2020), this scholarship honors the 40-year academic legacy of a dedicated professor, an exceptional administrator and vibrant personality. A product of the Early County Schools, Dr. Hardin was encouraged by her parents (Freddie Hodge, Sr. & Susie Hodge) and her older siblings, all of Jakin, GA, to complete a B.S. Degree in English from Albany State College and an M.A. and a Ph.D. in English from The Florida State University, graduating among the top of her class with the aid of grants, scholarships and fellowships. Dr. Hardin came to Valdosta State College in 1976 after having taught English for one year at her beloved undergraduate Alma Mater, Albany State College. A few of her accomplishments include being promoted to full professor in English, helping to establish and serve as the first director of the dynamic VSU African American Studies Program, and directing HEROES Institute, an African American Male Initiative, an approved project of the Georgia Board of Regents. Dr. Hardin embraces her mentor, Dr. Maya Angelou’s personal mantra: “I’ve learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel.” This scholarship continues to encourage the tradition of academic excellence, service to others, and a trailblazing spirit of success!

The successful applicant will receive at least **\$500** to be paid directly to the college or university for tuition and fees. This scholarship is not automatically renewable.

The VSU Africana Studies Program and the Advisory Selection Committee will declare at least one recipient, but no more than two recipients, each academic year through the submission of applications.
