"Growing Ideas"

Computer Graphic Print, 26 ½" 21 ¼"

Thomas Andrew Larson

United States, 1985-

Drew Lawson was born in Morven, GA and received a B.F.A. from Valdosta State University, where he majored in art with a concentration in graphic design. Since his graduation, he has done wonderful graphic posters that can be seen at *http://talartwork.blogspot.com/* and is an animator who has created an animated series called Valwood, numerous short video films, and one film, Mario's Day Off, that has received over 300,000 hits on YouTube. This piece placed in the Centennial Art Competition in 2008 and was purchased by the Valdosta State University Archives and Special Collections.
