### **Event Registration Refund Policy**

The Office of Career Opportunities and Volunteer Services offers several career fairs and other events (either on-site or virtual) each academic year. Employers offering full-time, part-time, internship, co-op, and service opportunities are eligible to participate.

Career fairs and other events are designed to provide a venue for sharing employment opportunities and information only. Participating employers may not recruit other businesses or sell products and/or services at the event.

If the need to cancel registration arises, employer's registration fees (if already paid) will be applied to future career fair registration.

Please contact Career Opportunities & Volunteer Services via (229)333-5942 or [emprelations@valdosta.edu](mailto:emprelations@valdosta.edu) for questions about the refund policy.
