2023 – 2024^^^	26	IP		

IP=In Process: Students from the cohort listed have yet to graduate from the cohort year listed.

Programs are only required to provide data on the past 9 years/cohort or since the program was initially accredited, whichever is shorter.

* Graduation Rate is the program's Advertised Length of Completion which is how long the program is designed to complete as written.

** Job Placement Rate is the percentage of graduates from the cohort year that are employed utilizing skills learned in the COAMFTE accredited program.

*** Licensure rate is the percentage of graduates from the cohort year that have achieved *ANY* level of MFT licensure.

For Master's programs only, COAMFTE has established a benchmark of 70% licensure rate for each cohort.

2021-2022^: Licensure information is collected three years post-graduation.

2022 – 2023^^: These students have recently graduated. The program is in the process of collecting data for this cohort.

2023 – 2024^^^: These students are currently enrolled and have not yet graduated from the program.
