COURSE ACTIVITIES/ASSIGNMENTS/REQUIREMENTS

Assignments in Brief

The following list is a brief overview of the assessments used to measure learning outcomes included in this course. Complete instructions for each assignment along with grading criteria will be posted on the BlazeView course site in advance of that assignment's due date.

Independent Search Exams

32 points

Exam #1 (16 points) – applying searching techniques and rules using a search form.

Exam #2 (16 points) – applying searching techniques and rules using advanced techniques.

Discussion Posts

28 points

Practice Search 1 (7 points) – keyword searching in a menu-driven search form.

Search Term Safari (7 points) – finding and modifying thesaurus terms.

Practice Search 2 (7 points) - advanced searching using multiple techniques.

Dear Dr. Search-It (7 points) – explaining a search using a discovery tool.

Course Project #1: Biography of a Vendor and Database Usability

16 points

A report that profiles a vendor and one database marketed by that vendor. In the first part of the report, you will provide an overview of the vendor – its history, financials, and contact data. Devote the second part of the report to a profile of one of the databases marketed by that vendor. Complete an evaluation form (provided) describing the scope and coverage of the database along with the usability of the interface that addresses the research needs of the intended audience for that database.

Course Project #2: Client Report

24 points

A documented client report that demonstrates your online searching expertise in multiple databases and free Web sites to find materials on a multi-faceted topic for a client. Examples of your search histories and consultations with the client (who will be a classmate) are part of this project.

COURSE GRADES

Students can earn a maximum of 100 points in this course. Course grades will be awarded as follows:
100 – 90 points = A 89 – 80 points = B 79 – 70 points = C 69 – 60 points = D Below 60 points = F

Standards for MLIS core courses: **No grade below a C will be credited toward a VSU graduate degree.**

To be eligible to receive an A in this course requires completing every assignment.

An overall grade of zero can be assigned to an entire paper or project if the instructor determines that its contents, or parts of its contents, were completed by a second party or copied into a paper or project from a source without proper citing. Noncompliance with rules on appropriate use of resources will result in zero credit for those parts of the assignment affected. If you are unsure about the parameters of an assignment, ask for clarification.

Your final grade will be one of these letter grades:

Exceptionally exceeds minimum standards	A
Exceeds minimum standards	B
Meets minimum standards	C
Barely meets minimum standards	D
Fails to meet minimum standards	F

See the COEHS *Policy on Plagiarism* on page 6 and the *MLIS Guide to Ethical Conduct* at <http://www.valdosta.edu/colleges/education/master-of-library-and-information-science/documents/GuidetoEthicalConductWebversion.pdf>).

ATTENDANCE POLICY

This is a Web-delivered course with no required face-to-face meetings. The instructor will schedule real-time instruction using tools in BlazeView such as Chat or the Collaborate classroom. These lectures will be archived for students who cannot attend the live sessions.

COMMUNICATION

Please post course-related questions that may be relevant to the class on the **Ask the Instructor** discussion board. You are expected to read the discussion boards regularly. SUBMITTING WRITTEN ASSIGNMENTS

All written work must be submitted as instructed on the BlazeView course website using Word formats (.doc or .docx suffixes only) or other formats designated by the instructor. The university's Information Technology (IT) department provides step-by-step guides on how to use VSU's e-mail system and other resources. The IT Help Desk is at <http://ww2.valdosta.edu/helpdesk/index.shtml>. Their telephone hotline is 229-245-4357. BlazeVIEW is powered by the Desire2Learn (D2L) course learning system. LATE POLICY

Most graded assignments are due Tuesday, 11:59 pm. You have a one-day grace period to submit assignments for full credit – Wednesday, 11:59 pm is the deadline. Assignments received after Wednesday, 11:59 pm, lose points. Completely skipping an assignment is not acceptable in graduate school. To be eligible to receive an A in this course requires completing every assignment and submitting within the specified deadlines.

A grade of Incomplete is not an option unless a non-academic situation interferes with completion of assignments after the option to withdraw without academic penalty passed (March 5). A petition for an Incomplete must be submitted with documentation to the professor at the time an assignment is missed. Withdrawal from a course after March 5 requires a petition to the VSU Dean of Student Affairs.

PROFESSIONALISM

The Department of Library and Information Studies expects that MLIS students will pursue their academic endeavors and conduct themselves in a professional and ethical manner. All work that a student presents to satisfy course requirements should represent his or her own efforts, including appropriate use and acknowledgement of external sources. The student will be timely and complete with assignments and other engagements. The student will communicate in a professional manner in both speech and writing. The student will maintain a professional attitude, being respectful to others and their viewpoints, and seek to maintain objectivity. The student will exercise an awareness of the pervasiveness of the online environment and strive to maintain a professional online presence.

STUDENT OPINION OF INSTRUCTION

While instructors will not be able to view individual responses or to access any of the responses until after final grade submission, they will be able to see which students have or have not completed their SOIs, and student compliance may be considered in the determination of the final course grade. These compliance and non-compliance reports will not be available once instructors are able to access the results. Complete information about the SOIs, including how to access the survey and a timetable for this term is available at <http://www.valdosta.edu/academic/OnlineSOIPilotProject.shtml>.
