COURSE ACTIVITIES/ASSIGNMENTS/REQUIREMENTS

The following list is a brief overview of the assessments used to measure learning outcomes included in this course. Complete instructions for each assignment along with grading criteria will be posted on the BlazeVIEW course site in advance of that assignment's due date.

Graded Discussions (SLO1, SLO2, SLO8) – 10 Points

You will participate in 2 threaded discussions related to course readings on BlazeVIEW. The discussion board is available to you for one week. During that time, you are expected to make meaningful contribution and interact with your classmates.

Search Strategy Assessment (SLO3, SLO5, SLO6) – 15 Points (Due 6/9/2021)

Using the search techniques and strategies demonstrated in class, you will plan a series of searches and document your strategies in the worksheet provided. You will also answer some basic questions on information resources in general.

Reference Consultation Project (SLO1, SLO2) – 30 Points

Reference Consultation Project - Part I – 10 Points (Due 6/16/2021)

You will evaluate a simulated reference transaction video and the librarian's techniques in the video; discuss what went well and how certain parts of the transactions can be improved.

Reference Consultation Project - Part II - 20 Points (Due 6/30/2021)

You will conduct one simulated reference transaction with one of your classmates. The final product is a video similar to the one you evaluated in *Reference Interview Evaluation*. In the video, "the reference librarian" has to assist "the client" in locating

resources that contain the answer to the client's questions. **Successful completion of this project is necessary to fulfill requirements for this course.**

Reference Transaction Assessment (SLO5, SLO6, SLO7) – 30 Points

You will answer two sets of assigned questions in written format using relevant resources and techniques and confirm the reliability of your sources. You will present the answers following the specified format.

1) Ready Reference Transaction Report – 10 points (Due 7/7/2021)

2) Research Reference Transaction Report – 20 points (Due 7/21/2021)

Successful completion of this assignment is necessary to fulfill requirements for this course.

Pathfinder (SLO4, SLO7, SLO9) – 15 Points (Due 7/27/2021)

You will create a pathfinder on a specific topic aimed at a specific user group.

SUBMITTING ASSIGNMENTS

All written work must be submitted as attachments to the assignment modules in the BlazeVIEW course website using required formats. The university's Information Technology department provides step-by-step guides on how to use VSU's e-mail system and other resources. The IT Help Desk is at <https://www.valdosta.edu/administration/it/solutions/>. Their telephone hotline is 229-245-4357.

LATE SUBMISSIONS, MISSED ASSIGNMENTS, & MAKE UP ASSIGNMENTS

All course work is due inside BlazeVIEW on the date and time indicated on the course calendar. Any exceptions must be negotiated in advance. Technological crises are not an acceptable excuse for submitting work late unless BlazeVIEW is down.

A grace period of 24 hours is offered without penalty (this does not include discussion boards – due to the interactive nature of these, graded discussion posts must be completed according to the course schedule). Twenty percent of the assignment grade will be deducted from the student's score for every additional 24 hours. **The instructor does NOT accept work that is more than five (5) days late without prior consent.** If you inform me of extenuating circumstances **before** the deadline, we can work out a solution for submitting a late assignment without penalty. Completely skipping an assignment is not acceptable in graduate school. To receive an A in this course requires completing **every** assignment.

If you have not submitted assignments up to the Midterm (**June 18**) in the semester, you are not eligible for an Incomplete at the end of the semester. A grade of Incomplete is also not an option unless a non-academic situation interferes with completion of assignments after the option to withdraw without academic penalty passed. You must request withdrawal through the office of the VSU Registrar.

LIVETEXT REQUIREMENT

There are a number of assessments developed to meet ALA MLIS Program Accreditation requirements for measuring program performance in terms of student learning outcomes. These assessments are embedded in all MLIS core courses and the required collection development elective. LiveText is the online platform that has been selected to track these assessments and all MLIS students are **REQUIRED** to purchase a license for the LiveText system (if you already own a license our domain can be added to your current license). The

LiveText Student Membership Standard Edition offers you full access to LiveText for the entire time you are enrolled in a program (a maximum of 7 years).

MLIS 7100 includes two assignments that partially fulfill the ALA accreditation requirements on assessing MLIS Program Objectives. They are the *Reference Consultation Project - Part II* and *Research Reference Transaction Report*. You will find both marked as “*necessary to fulfill requirements for this course*” on page 3 of this syllabus. You must submit the final copies of the two assignments to your LiveText account.

COURSE GRADES

Course grades will be awarded as follows:

A: 90%–100%

B: 80%–89%

C: 70%–79%

D: 60%–69%

F: Lower than 60%

No grade below a C will be credited toward a VSU graduate degree and students must receive a grade of B or better to earn credit in core courses and the required collection development elective.

ATTENDANCE POLICY

VSU requires that you attend class in the first week. All course activities will be conducted through BlazeVIEW [and/or other platform(s) as designated by the instructor]. Course content is delivered asynchronously according to the course calendar. It is your responsibility to participate in all course activities and submit assignments on time. It is in your best interest to log into the course at least several times each week (daily is best) to check announcements, discussion board posts, and emails.

COMMUNICATION

Communication will be conducted through BlazeVIEW email, postings and replies in the discussion board, and/or BlazeVIEW announcements. Check these areas at least several times per week (daily is recommended) as you are responsible for knowing all information communicated through these channels.

VSU requires that all correspondence between the student and the instructor be conducted through official university channels. To that end, all email correspondence related to this course is to be sent using the email client built into the BlazeVIEW course website. For other correspondence with any VSU faculty members or administrative offices, please use your VSU email account.

A **Faculty Office** discussion board will be available for the duration of the semester. Please post course-related questions that may be relevant to your classmates on the discussion board. You are expected to subscribe to and read the Faculty Office discussion board regularly. If you contact me via e-mail, I will get back to you within 48 hours or sooner. If you would like to speak with me over the phone or using the Collaborate Ultra classroom, please schedule an appointment with me via email.

PROFESSIONALISM

The Department of Library and Information Studies expects you to pursue your academic endeavors and conduct yourself in a professional and ethical manner. All work submitted in the course must represent your own efforts. Cite sources and include reference information. You should communicate in a professional manner in both speech and writing and maintain a professional attitude, being respectful to others and their viewpoints. Exercise an awareness of the pervasiveness of the online environment and strive to maintain a professional online presence.

ACADEMIC INTEGRITY

You are responsible for knowing and abiding by the Academic Integrity Policy as set forth in the Student Code of Conduct (<https://www.valdosta.edu/administration/student-affairs/student-conduct-office/student-handbook.php>) and the COEHS Policy Statement of Plagiarism (<https://www.valdosta.edu/colleges/education/deans-office/policy-statement-of-plagiarism.php>). All students are expected to do their own work and to uphold a high standard of academic ethics. Consequences for acts of academic dishonesty are detailed in the COEHS Policy Statement of Plagiarism.

For more information, visit Academic Honesty at VSU (<https://www.valdosta.edu/academics/academic-affairs/academic-honesty-at-vsu.php>).

STUDENT OPINION OF INSTRUCTION SURVEY

At the end of the term, all students will be expected to complete an online Student Opinion of Instruction survey (SOI) that will be available through SmartEvals. Students will receive an email notification through their VSU email address when the SOI is available (generally at least one week before the end of the term). SOI responses are anonymous to instructors/administrators, and they will be able to access results only after they have submitted final grades. Before final grade submission, instructors will not be able to see any responses, but they can see the percentage of students who have or have not completed their SOIs. While instructors will not be able to see student names, an automated system will send a reminder email to those who have yet to complete their SOIs. Students who withdraw or drop a course will also be sent invitations to complete the Dropped Course Survey. Complete information about the SOIs, including how to access the survey, is available on the SOI Procedures webpage (<https://www.valdosta.edu/academics/academic-affairs/sois/>).
