(<https://www.valdosta.edu/colleges/education/master-of-library-and-information-science/our-program/>):

- SLO 1. To differentiate the information-seeking behaviors of researchers and practitioners in different disciplines (PO 1).
- SLO 2. To utilize a working knowledge of the literature in each of the selected disciplines (PO1).
- SLO 3. To assess research needs across disciplines and demonstrate how information professionals may meet those needs (PO 1).
- SLO 4. To employ a variety of print and electronic resources in a multi-subject research setting (PO 1).
- SLO 5. To develop knowledge and skills for supporting multi-subject information services (PO 1).

This course covers the following American Library Association Core Competences of Librarianship (<http://www.ala.org/educationcareers/careers/corecomp/corecompetences>):

1. Reference and User Services: The librarian understands and uses the concepts, principles, and techniques of reference and user services to provide access to relevant and accurate recorded knowledge and information to individuals of all ages and groups.

COURSE ACTIVITIES/ASSIGNMENTS/REQUIREMENTS

The following list is a brief overview of the assessments used to measure learning outcomes included in this course. Complete instructions for each assignment along with grading criteria will be posted on the BlazeVIEW course site in advance of that assignment's due date.

Disciplinary Report (SLO1, SLO2, SLO3) – 10 Points (Due 8/31/2021)

Select one discipline from the social sciences, and one discipline from the humanities to study them individually. Your disciplinary report should include the definitions and overviews of your selected disciplines, as well as key resources. You can include the resources listed by subject areas at the Odum Library website. You may also include other resources you identify from the web or from other sources.

Graded Discussion 1 (SLO1, SLO2, SLO3) – 10 Points (Due 9/14/2021)

Assemble an annotated, illustrated list of primary sources that a historian would use 100 years from now to recreate something about your life. You may use Word or PowerPoint to create the file, then save it as a pdf file.

Graded Discussion 2 (SLO1, SLO2, SLO3) – 10 Points (Due 9/28/2021)

From the readings, identify at least 10 aspects of social science and humanities research that librarians need to consider when serving scholars and students, and/or when developing a subject collection.

Resource Presentation I (SLO4) – 10 Points (Due 10/19/2021)

You will select and present a resource from the social sciences to the class via a recorded presentation session.

Resource Presentation II (SLO4) – 10 Points (Due 11/2/2021)

You will select and present a resource from the humanities to the class via a recorded presentation session.

Research Reference Project (SLO3, SLO4, SLO5) – 30 Points (Due 11/16/2021)

This assignment requires students each select a research topic, interview one of their classmates on their selected topics, identify the classmate's information needs, and use relevant search methods and tools to identify needed research materials for each other.

Visual Resource Guide (SLO4 and SLO5) – 20 Points (Due 11/30/2021)

You will create an illustrated resource guide on your selected topic.

SUBMITTING ASSIGNMENTS

All written work must be submitted as attachments to the assignment modules in the BlazeVIEW course website using required formats. The university's Information Technology department provides step-by-step guides on how to use VSU's e-mail system and other

resources. The IT Help Desk is at <https://www.valdosta.edu/administration/it/solutions/>. Their telephone hotline is 229-245-4357.

LATE SUBMISSIONS, MISSED ASSIGNMENTS, & MAKE UP ASSIGNMENTS

All course work is due inside BlazeVIEW on the date and time indicated on the course calendar. Any exceptions must be negotiated in advance. Technological crises are not an acceptable excuse for submitting work late unless BlazeVIEW is down.

A grace period of 24 hours is offered without penalty (this does not include discussion boards – due to the interactive nature of these, graded discussion posts must be completed according to the course schedule). Twenty percent of the assignment grade will be deducted from the student's score for every additional 24 hours. **The instructor does NOT accept work that is more than five (5) days late without prior consent.** If you inform me of extenuating circumstances **before** the deadline, we can work out a solution for submitting a late assignment without penalty. Completely skipping an assignment is not acceptable in graduate school. To receive an A in this course requires completing **every** assignment.

If you have not submitted assignments up to the Midterm (**October 7**) in the semester, you are not eligible for an Incomplete at the end of the semester. A grade of Incomplete is also not an option unless a non-academic situation interferes with completion of assignments **after** the option to withdraw without academic penalty passed. You must request withdrawal through the office of the VSU Registrar.

COURSE GRADES

Course grades will be awarded as follows:

- A: 90%–100%
- B: 80%–89%
- C: 70%–79%
- D: 60%–69%
- F: Lower than 60%

No grade below a C will be credited toward a VSU graduate degree and students must receive a grade of B or better to earn credit in core courses and the required collection development elective.

ATTENDANCE POLICY

VSU requires that you attend class in the first week. All course activities will be conducted through BlazeVIEW [and/or other platform(s) as designated by the instructor]. Course content is delivered asynchronously according to the course calendar. It is your responsibility to participate in all course activities and submit assignments on time. It is in your best interest to log into the course at least several times each week (daily is best) to check announcements, discussion board posts, and emails.

COMMUNICATION

Communication will be conducted through **BlazeVIEW email, postings and replies** in the discussion board, and/or **BlazeVIEW announcements**. Check these areas at least several times per week (daily is recommended) as you are responsible for knowing all information communicated through these channels.

VSU requires that all correspondence between the student and the instructor be conducted through official university channels. To that end, all email correspondence related to this course is to be sent using the email client built into the BlazeVIEW course website. For other correspondence with any VSU faculty members or administrative offices, please use your VSU email account.

A **Faculty Office** discussion board will be available for the duration of the semester. Please post course-related questions that may be relevant to your classmates on the discussion board. You are expected to subscribe to and read this discussion board regularly. If you contact me via e-mail, I will get back to you within 48 hours or sooner. If you would like to speak with me over the phone or using the Collaborate Ultra classroom, please schedule an appointment with me via email.

PROFESSIONALISM

The Department of Library and Information Studies expects you to pursue your academic endeavors and conduct yourself in a professional and ethical manner. All work submitted in the course must represent your own efforts. Cite sources and include reference information. You should communicate in a professional manner in both speech and writing and maintain a professional attitude, being respectful to others and their viewpoints. Exercise an awareness of the pervasiveness of the online environment and strive to maintain a professional online presence.

ACADEMIC INTEGRITY

You are responsible for knowing and abiding by the Academic Integrity Policy as set forth in the Student Code of Conduct (<https://www.valdosta.edu/administration/student-affairs/student-conduct-office/student-handbook.php>) and the COEHS Policy Statement of Plagiarism (<https://www.valdosta.edu/colleges/education/deans-office/policy-statement-of-plagiarism.php>). All students are expected to do their own work and to uphold a high standard of academic ethics. Consequences for acts of academic dishonesty are detailed in the COEHS Policy Statement of Plagiarism.

For more information, visit Academic Honesty at VSU (<https://www.valdosta.edu/academics/academic-affairs/academic-honesty-at-vsuhp>).

STUDENT OPINION OF INSTRUCTION SURVEY

At the end of the term, all students will be expected to complete an online Student Opinion of Instruction survey (SOI) that will be available through SmartEvals. Students will receive an email notification through their VSU email address when the SOI is available (generally at least one week before the end of the term). SOI responses are anonymous to instructors/administrators, and they will be able to access results only after they have submitted final grades. Before final grade submission, instructors will not be able to see any responses, but they can see the percentage of students who have or have not completed their SOIs. While instructors will not be able to see student names, an automated system will send a reminder email to those who have yet to complete their SOIs. Students who withdraw or drop a course will also be sent invitations to complete the Dropped Course Survey. Complete information about the SOIs, including how to access the survey, is available on the SOI Procedures webpage (<https://www.valdosta.edu/academics/academic-affairs/sois/>).
