

Psych. Club Minutes

9/16/08 4- Faculty/11-Students

This week we discussed the t-shirt ideas again. The winning idea was brought up by Samantha Walls, and will be a red shirt with a black inkblot design on the back with the quote “Tell me what you see”. In the inkblot will say “Your mama”. For those that could not attend the meeting, please slip a piece of paper with your name and size on it, in the box where the minutes are found, or by email.

Don't forget the Volleyball game next Thursday, Sep. 25th at 3 pm! In front of the Psych. Classroom Building, come out and play!

There is a job opening, especially for psychology students. The Rec Center needs facilitators for the rope course. Talk to Dr. Browne or contact the Rec Center directly.

The meeting on Tuesday Sep. 30th we will have Dr. Cummingham, as a guest speaker on School Psychology. Come out and get some great info and there will be pizza!

Dr. Browne passed information on Oklahoma State's master's programs and Dr. Kohn passed out information on Adler University's programs. See them if you want any further info!

We had two great speakers, Jess and Jay from Dr. Wiley's I/O Program, give us some wonderful information. Thanks to them!
