The Happening 2024

Would you like to have the opportunity to show thousands and thousands of Valdosta State students what your department, program, or area has to offer? This is a once-a-year opportunity to **introduce students to the great things your organization or department does and why they should get involved!** All you need to do is participate in the 33rd Annual **"The Happening."** The Happening 2024 will take place on Thursday, August 29 from 1 to 4 p.m. on the VSU Front Lawn. This event is an information fair for students, designed to provide useful knowledge of what our university and our community have to offer them. Best of all it is **FREE for your department or organization to participate!** We'll even provide you with a 6 foot long table and a couple of chairs!

In the past, exhibitors have been very creative with their displays. Most groups offer some type of fun activity in which the students can participate. Students are often rewarded with small tokens, candy, and prizes. Booths have offered balloon tosses, basketball throws, miniature golf, wheel of fortune, and many other great activities. Having an activity at your booth really attracts the students. And don't forget to tell them how great your organization or department is!
